

Hadrian's Wall Festival in Heddon...

1900 Years of life along the wall

What's it all about?

Everyone is invited to celebrate the Hadrian's Wall Festival in Heddon
3rd September throughout the village.

For more information please keep checking www.facebook.com/Heddon1900

The main aims of the festival and the village group who are co-ordinating it are to be part of the 1900 Festival (1900.hadrianswallcountry.co.uk), to have a good festival day in the village, welcome visitors, promote Heddon and its businesses, support education and legacy within the parish (both ecclesiastical and local council area), raise some money for HETT (Heddon Education and Training Trust), St. Andrew's Church and The Methodist Chapel and to help restart some of the interest groups in the village following Covid closures.

To celebrate 1900, we would like to invite you to come along and give it a go during our taster session! All tools and instruction will be provided, just pop by

and join in. We would also be interested to hear from any local groups/individuals who may like to know more about our regular opportunities to de-moss and de-veg the wall, for further information please message Sophie at Sophie.Hearn@english-heritage.org.uk/07557 834133

the planning group for this event have also been busy with the **Everyone Project** - A Pom Pom was made to represent every person who lives in the parish and about 150 extra so we have 1900 in total to represent every year which has been lived along the wall since it was built.
